THE NORTHERN OHIO NORTHERN UNIVERSITY ADA, CHIO

March 6, 1964

Bear Students:

It is with great pleasure that we, the staff of the 1964 NORTHERN, dedicate this book to Dr. A. Louise Hastings. It is not often that one finds an educator who is as enthusiastic and as competent in her work as she is,

Many hours of hard work have gone into the accomplishment of this yearbook, and it is our hope that you will find the efforts worthy of the university which it represents.

Special thanks are extended to Lee Repassy and Jeff Dick, our student photographers, to James Busch of Marion, our professional photographer, to Mr. Belch, the advisor, to Ray Laakaniemi, director of public information, and to those of you who have helped make this publication possible,

You may find many things in this book which are different and which you may not particularly like; however, you must remember that each succeeding yearbook carries with it a series of attitudes, ideas, and variations which represent the editor's attempt to extend a new interpretation of the college life which is representative of the student body of Ohio Northern University.

This is your book, as it is your university. You may accept it or reject it; you may credit it or criticize it; you may deem it worthy or faulty. We present your book to you, for your judgment, consideration, and acceptance.

Backere Ho Elhaney

Barbara McElhaney

Editor

DEDICATION

Dr. A. Louise Hastings became a member of the faculty at ONU in 1957, bringing with her a wide variety of experiences in the literary field.

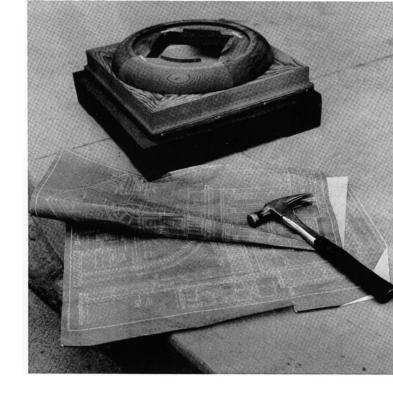

She obtained her A.B., M.A., and Ph.D. in English at Indiana University, where she had also, been an instructor in composition and literature survey. Aside from various teaching positions she has held, Dr. Hastings has spent 7 years writing and editing for newspapers, 3 years in the advertising department of Harvard University Press, and 5 years doing research at Harvard in American Literature with a fellowship from the American Philosophical Society.

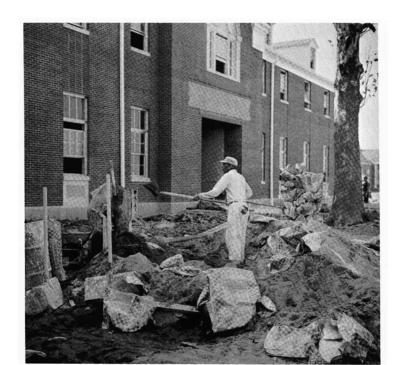

As an undergraduate, Dr. Hastings was a member of a literary club called Vagabonds which founded the literary magazine *The Vagabond*, which was later called the *Folio*, and is still published today. She has also published articles in *The New England Quarterly*, *The Bulletin* of *School and Education* and *The Emerson Society Quarterly*.

Here on campus, Dr. Hastings has a busy schedule, teaching advanced English courses, such as Shakespeare, Chaucer, and Milton, as well as American literature and English composition. She has been the force behind many traditional "Shakespeare Nights" and deserves much credit for this year's fine celebration of "The Bard's 400th."

Dr. Hasting's sparkling personality is ever-present, whether in class or walking across campus. Having a vivid interest in her students and in her subject matter, she seems to transmit her own love of the literary field to those with whom she comes into contact.

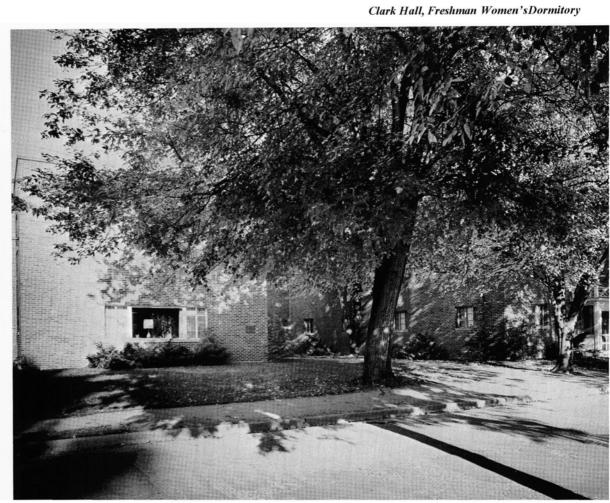

Introducing the Student Union, the culmination of a ten-year dream on the part of the students, faculty, and administration of Ohio Northern University . . .

The New Women's Dormitory

Lehr Memorial Hall, Main Administration Building

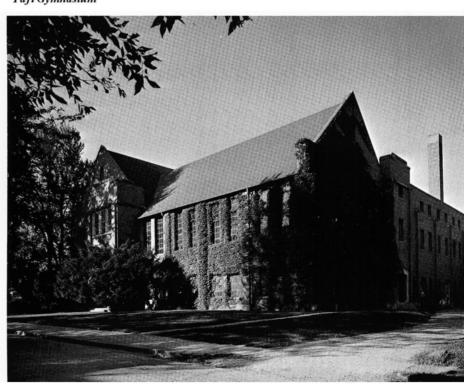

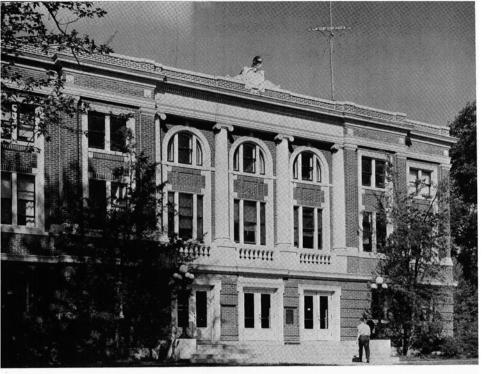

Dukes, Pharmacy Building

Taft Gymnasium

Presser Hall, Library, and Schoonover Lab

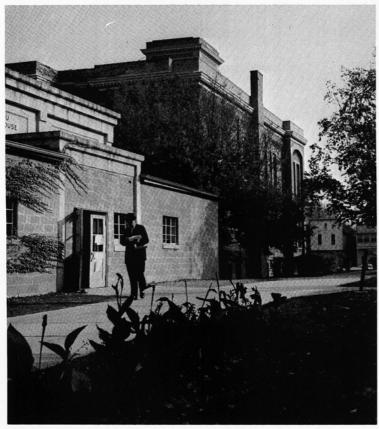

Sometimes the sun shines in Ada!

North Door, Lehr, Through this Portal . . .

This main sidewalk carries all to classes, work, and fun throughout the year.

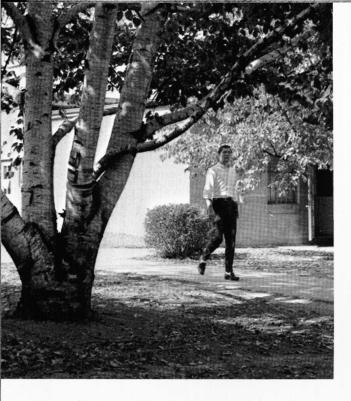

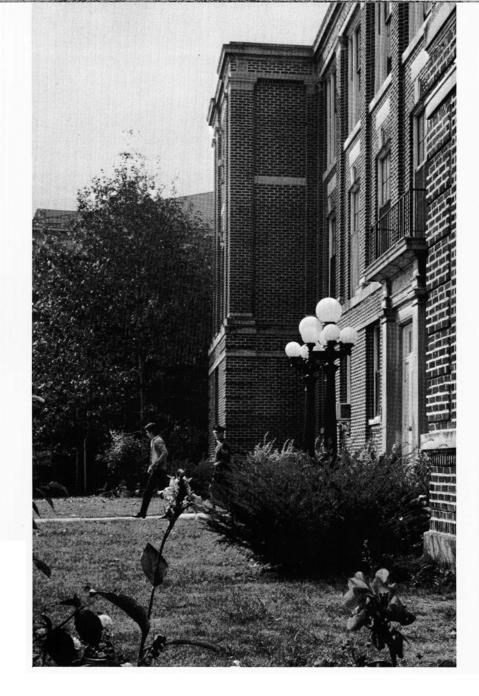

The Lamp-post, a popular meeting place for students and faculty alike.

Her friendly countenance can lift the heaviest doldrums!

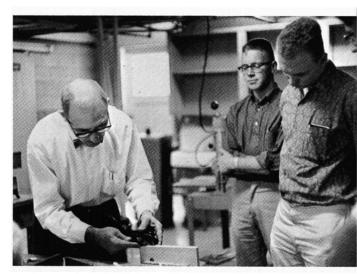

Students enjoy the leisure times and the friendships they acquire while on campus: they also find that helpful, informative instructors can lift part of the burden of the college student.

Professor Kain, Industrial Arts Shop

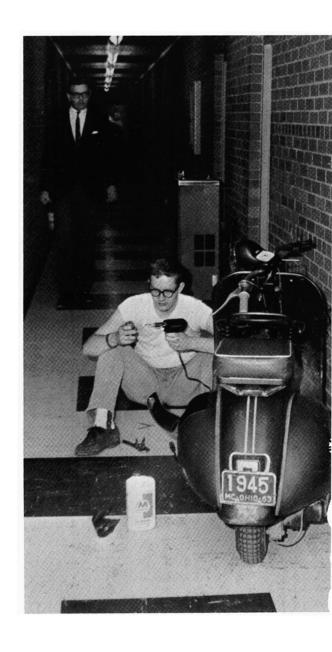

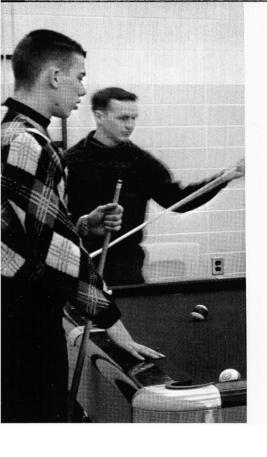

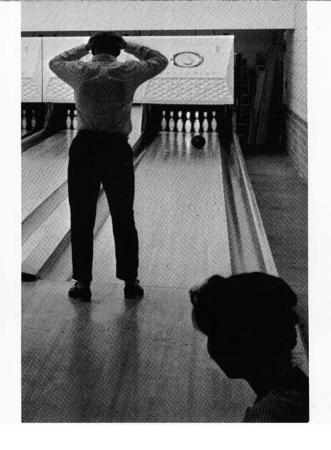

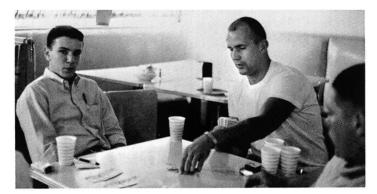

Working alone or with a group, the learning experience is made more meaningful when directed toward a definite objective, be it academic achievement, a personal project, a group production, a fraternity contest, or student-body participation.

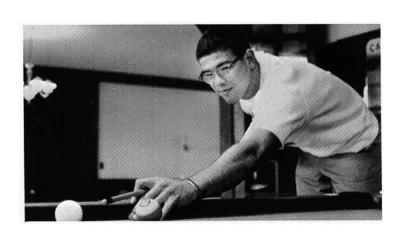

Social life on campus is constant, especially since the opening of the Union: whatever one's preference might be, there is generally something to do during those free hours out of class.

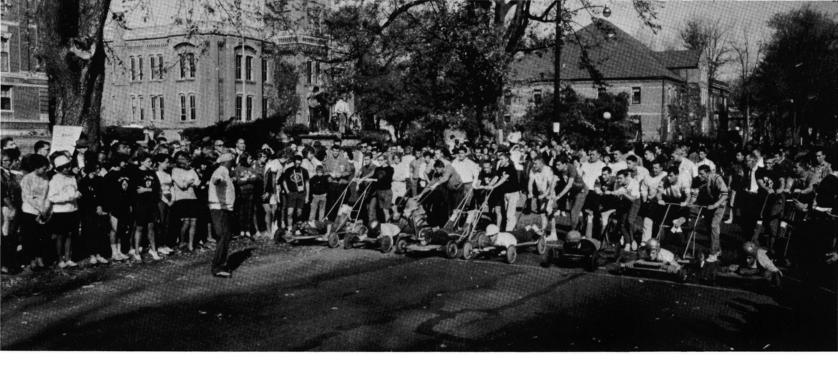

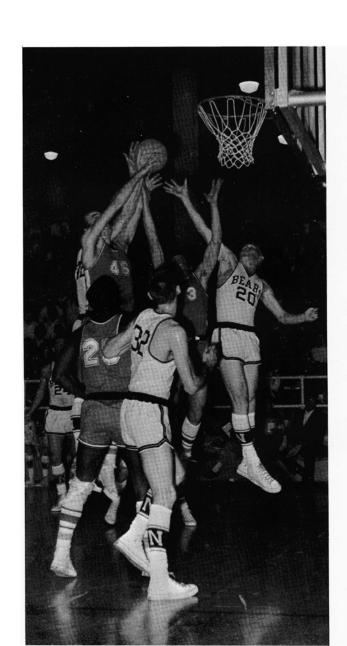

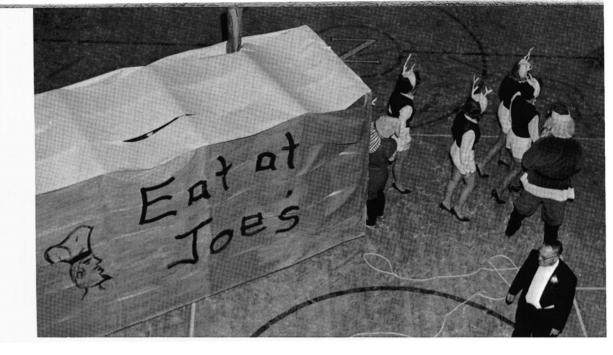

Sports and social activities, such as Homecoming, Choral Cabaret, and Greek Weekend, provide the main outlet for special entertainment during Fall and Winter Quarters.

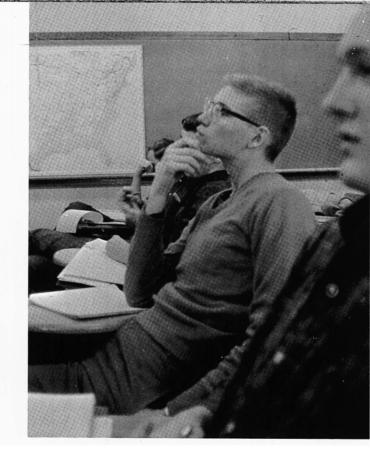

Classes, studying, hard work, social activities, and just plain "goofing off" all combine as the Northern student develops into a young adult, having achieved the intellectual and social goals which are set up by the University, and prepares to enter the profession and field of his choice.

FACULTY

FRANK BRINGLE McINTOSH President of the University

President McIntosh was elected president of Ohio Northern in 1949 after an illustrious background which included degrees from DePauw University, Boston University, and Rio Grande College.

Under his capable guidance, Ohio Northern has seen fifteen prosperous years of development and growth, both physically and in academic standing.

In keeping with the friendly atmosphere on campus, Dr. McIntosh is always ready with a cheerful smile and hello as he crosses the campus.

A great deal of credit must be bestowed upon Dr. McIntosh for his fine leadership in getting ONU's recent development plan of the ground. The opening, in January, of the University Union marks the "culmination of a dream of ten years."

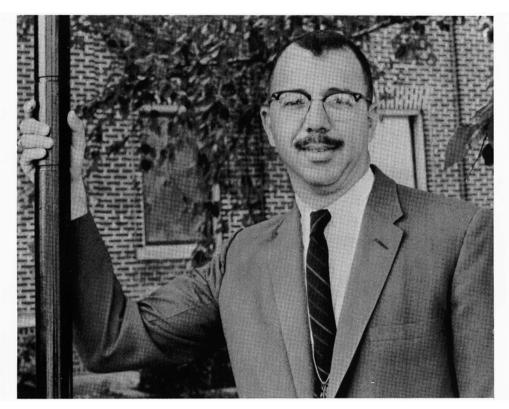

PRESIDENT

President McIntosh, with the able assistance of Vice-president Eakin, strives to uphold the aims and purposes of Ohio Northern University: to graduate students imbued with Christian ideals, accomplished in scholastic achievement, inspired with a desire to contribute to the good of mankind, and committed to a way of life that will result in a maximum of personal and social worth.

ENGINEERING FACULTY

The aim of the College of Engineering is to develop the whole individual, having the purpose of attainment of the highest standard of undergraduate proficiency in the areas of subject matter basic to all engineering and education in the essentials of his chosen branch of the profession as well as the areas of living. By teaching the engineering student how to think in a logical sequence, subject to the facts involved, this College strives to provide each graduate with the ability to have a full life of professional performance and true citizenship.

Each department, Civil, Electrical, and Mechanical Engineering, enjoys the distinction of being accredited by the Engineers' Council for Professional Development. Membership in the American Society for Engineering Education and approval by the Ohio State Board of Registration for Professional Engineers and Surveyors provide recognition for the College of Engineering as a quality school.

LAWRENCE H. ARCHER

METE YALCIN Assistant Professor of Civil Engineering

CIVIL ENGINEER ING FACULTY

ARCHIE HILLERY
Associate Professor of Civil Engineering

RONALD B. McPHERSON Assistant Professor of Civil Engineering

COLLEGE OF LAW

The College of Law was established in 1885. In educating students for the practice of law, it has four chief objectives: 1) to inculcate the principles of legal ethics and of the lawyer's public responsibility to enable the student, as a lawyer, to take his place as a trusted leader and counselor in his community; 2) to inculcate a systematic and complete grounding in the history and fundamental principles of the common law and statute law including the more important statutes and decided cases of Ohio; 3) to develop proficiency in the application of the principles of law to the complicated relations, rights, and duties arising in modern society through the training of the powers of analysis, discernment and judgment; and 4) to show the place, importance, and aims of the law in society.

The College of Law is fully approved by the American Bar Association and holds membership in the League of Ohio Law Schools. The courses are planned primarily to prepare students for the practice of law, but they include a knowledge of the principles and history of law, giving a foundation for a career in government or business.

EUGENE N. HANSON Dean, College of Law Professor of Law

GEORGE D. VAUBEL Associate Professor of Law

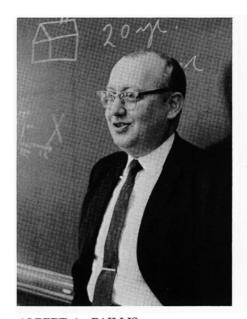

ROBERT J. WILLEY Assistant Professor of Law

DANIEL S. GUY Associate Professor of Law

GEORGE BRABSON Professor of Law

ALBERT A. BAILLIS Professor of Law

GENEVIEVE WHEELOCK Library Assistant, Law Library

JOHN P. FINAN Assistant Professor of Law

PHARMACY

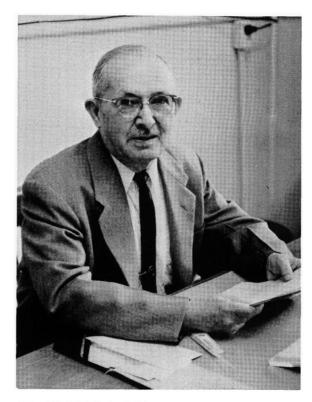

DR. ROBERT P. FISCHELIS Dean, College of Pharmacy

The College of Pharmacy aims, primarily, to prepare its students so that they will be able to meet satisfactorily the professional and cultural demands expected of pharmacists, and to carry their share of the responsibility of public health, welfare, and education in their respective communities.

As a means of instruction for the rendering of safe and efficient pharmaceutical service to all who seek it, the students of the college are entreated to develop self-reliance, character, and ethics with confidence and satisfaction.

The need for and value of membership in the local, state, and national pharmaceutical associations and in civic, social, and religious bodies of the communities are stressed, and affiliation with the student branch of the American Pharmaceutical Association and other groups that promote worthwhile activities on the campus is urged.

DR. CHARLES O. LEE Assistant Dean, College of Pharmacy

DR. ALBERT C. SMITH Professor of Pharmaceutical Chemistry

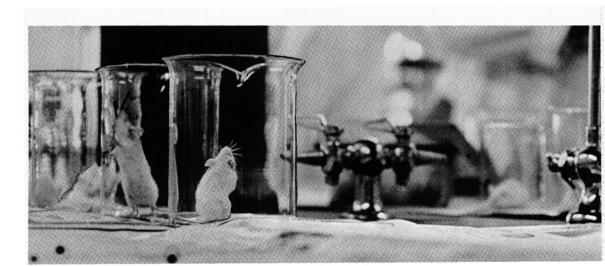

DR. BARNEY C. LEPOVETSKY Professor of Bacteriology

UNDER **MILKWOOD**

The Cast: Omar Dajani, Judy Cassady, Jane Woodhull, Bruce Dreffer, Steve Milby, Pat Jones, Margot Morstatter, Ed Maurer, Craig Halliwill.

The theatre division of the English department is responsible for the theatrical presentations each year. Working in close correlation with Northern Players and Theta Alpha Phi and under the direction of Betty J. Bartlett, the majors within this department strive to produce and present worthwhile plays to the student body.

Miracle Worker and Under Milkwood were the spring quarter presentations. Androcles and the Lion was presented fall quarter and during the Homecoming celebration. Servant of Two Masters was the lab production directed by Ron Myers as his senior project; this was the first winter quarter play. Macbeth, presented during winter quarter, was the major production for the year.

ONU's thespians traveled to many area schools to present *Red Shoes*, the annual "kiddie" show, during fall and winter quarters.

The theatre draws from many areas for crews and actors, representing the entire university, faculty and students alike, in many productions.

Omar Dajani, Judy Cassady, Ed Maurer.

MACBETH

Moultrie Patten, Macbeth

Theatre

Winifred Ainslee, Lady Macbeth

"Fair is foul . . ."

The performance of *Macbeth*, marking the 400th anniversary of William Shakespeare, was the major Winter Quarter theatre production at ONU. Directed by ONU Theatre Director Miss Betty Bartlett, the play cast included students, faculty, faculty wives, and administrators in addition to the four New York professionals—Moultrie Patten, Winifred Ainslee, Angus Cairns, and Richard Lederer.

The set, designed by James Ruef, instructor in speech and theatre, is believed to be the only replica of the Globe Theatre in Ohio. This set was built for a more historically correct atmosphere and provided various levels for action. It was built and erected through the combined efforts of ONU Maintenance, members of the theatre department, and students in theatre workshop.

"Standing Room Only" prevailed in Lehr Auditorium during the five performances. Through the combined efforts of Director Bartlett and her cast and crews, this production was deemed both profound and praise-worthy by most theatre-goers of the area and the campus.

BACCALAUREATE AND COMMENCEMENT 1963

.Anthony J. Celebrezze, Commencement Speaker

Baccalaureate and Commencement of 1963 were held June 2 in Lehr Auditorium and Taft Gymnasium, respectively. Two hundred eighty seniors received their degrees at this time, and five honorary degrees were given to Ronald Weber, Robert Hileman Lee, Philip Ebeling, Anthony J. Celebrezze, and the Reverend Paul J. Acker.

The Reverend Paul J. Acker delivered the sermon for Baccalaureate, entitled *One Life to Live*. The Commencement address was given by Secretary of the United States Department of Health, Education and Welfare, Anthony J. Celebrezze.

Eight graduates were noted for high distinction (3.6 average), and twenty-two graduated with distinction (3.3 average). The College of Liberal Arts graduated 124; Bachelor of Science in Pharmacy degrees went to 70; 34 graduates represented the College of Engineering; and 17 received Bachelor of Law degrees.

Dr. McIntosh addresses the students

RELIGION

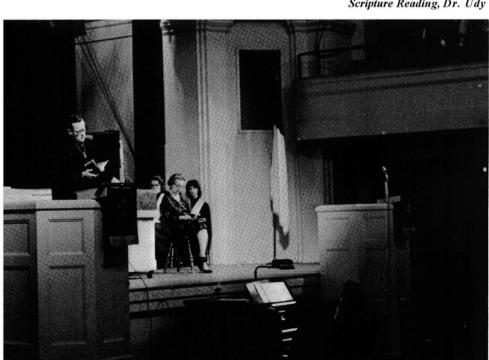

The religious program on campus consists, in the largest part, of Tuesday assemblies, based on religious topics, and Thursday chapel programs, of a religious nature, which the students are required to attend at least once a week.

Under the direction of Dr. James Udy, with music supplied by the ONU Chorus-Choir, the chapel program furthers the University's goal of graduating students imbued with Christian ideals and inspired with a desire to contribute to the good of mankind through achieving maximum personal and social worth.

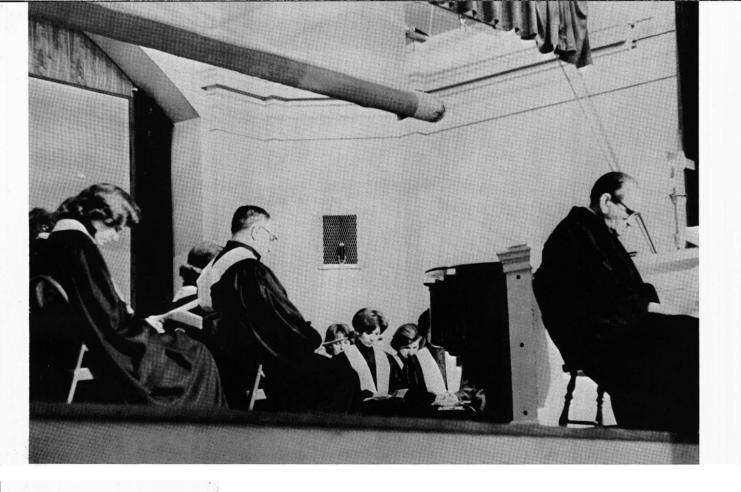

The Chapel service is non-sectarian worship, and the student assemblies include informative, entertaining, and cultural programs.

Religion-in-Life Week, generally held during Fall Quarter, was set back this year to Spring Quarter since Dr. Udy arrived on campus too late to organize a worthwhile program for Fall Quarter.

Several religious organizations on campus supplement the program and are under the jurisdiction of the Religious Council, headed by Dr. Udy. These organizations contribute in both chapel programs and local churches of their affiliation.

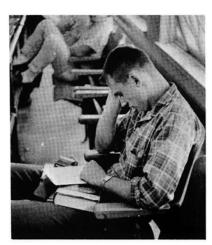

Scripture Reading, Dr. Udy

Gamma Tau Chapter of Alpha Xi Delta Sorority was established at Ohio Northern University on May 16, 1959. The goal of Alpha Xi Delta is to seek to cultivate a true spirit of friendship among its members that encourages, aids, and protects its members by all honorable means during life, and maintain in all acts the highest sense of honor and duty.

Fall quarter Alpha Xi Delta holds its annual all-campus dances and the Homecoming Alumnae Tea for all former Alpha Xi's and T.K.K.'s.

During winter quarter, the pledge dance and the "Winter Rose Formal" are held, and the sorority participates in Greek Sing.

Alpha Xi Deltas are active participants in the May Day celebrations and sponsor a Founders' Day Dinner and a Senior Breakfast during spring quarter.

Delta Zeta, the largest national sorority, was founded at Miami University, Oxford, Ohio, on October 24, 1902. Zeta Kappa Chapter, established on our campus May 16, 1959, is one of 144 chapters. Delta Zeta was the first social sorority to go national on this campus.

The goals of Delta Zeta are to create lasting bonds of friendship among its sisters, to maintain high standards socially, morally, and intellectually, and to develop the abilities of its members to their highest potential.

Delta Zeta participates enthusiastically in campus-wide events, student government, sports, and professional and honorary organizations.

This year, Delta Zeta candidates for May Day who won the elections were Vicki Carr, Louise Lauck, and Ginger Gabriel. Laura Armstrong represented her sorority and her university as Homecoming Queen.

The sorority supports a Greek boy through the Foster Parents' plan as a local philanthropy project.

The Zeta Tau Alpha Sorority was founded on October 15, 1898, at Longwood College in Farmville, Virginia. The Delta Theta Chapter at Ohio Northern University received its charter on October 9, 1959, being the one-hundred-fifth chapter to be installed. There are now 109 chapters throughout the United States and Canada.

Zeta Tau Alpha participates enthusiastically in campus-wide activities, student government, sports, and professional and honorary organizations.

A weekend workshop at Indian Lake, three all-campus dances, the pledge dance, White Violet Formal, and mother-daughter banquet make up the annual Zeta-sponsored activities for its members and their friends. In addition to these sorority functions, the Zetas participate in Homecoming and May Day activities, Greek Sing, and Campus Chest.

The girls turn their thoughts to those less fortunate and collect clothing, money, and food for the needy on "Beggars' Night," give to the Allen County Children's Home, and support the Zeta Tau Alpha philanthropy—cerebral palsy.

Count Basie

Alpha Epsilon Pi is the Jewish Fraternity on campus. This fraternity was founded at New York University in 1913, and the Kappa Chapter here at ONU was chartered in 1923.

The chapter sponsors many social affairs throughout the year. This past year the fraternity was successful when they sponsored an open house during the 1963 May Day festivities. Bagles, one of the most delicious and well-known Jewish delicacies, were served, and entertainment and music were provided by a band quartet of freshman boys.

Also, numerous house dances and parties, Homecoming activities honoring the alumni and a banquet for Parents' Day highlight the activities list of the year. The chapter is also active in the I.F.C. and May Day weekends. One of the biggest affairs this year was the Winter and Spring Formals, not to mention that the fraternity had the distinction of having the famous Count Basie and his group for dinner before a concert in October.

Everything is, of course, not all fun and no work. The fraternity also strives for scholastic achievement and takes an active part in religious functions on campus, thus maintaining a busy calendar school year.

ALPHA SIGMA PHI

The Alpha Sigma Phi Fraternity occupies the red house on the ONU campus. This fraternity was founded at Yale University on December 6, 1845, and the oldest Ohio Northern Fraternity Chapter, Gamma Alpha, has existed here since January 17, 1942.

The past year the Alpha Sigs have been seen repairing and fixing up the house and also having fun with their new Collie mascot, "Augie Doggie." Then, too, the Alpha Sigs remain quite active in several other fields. In the sports department, the Fraternity claims 11 members on the ONU Polar Bear Football team. Last May Day—1963—the boys won first place in the annual Frat Frolics, Tug-of-War, and Bike Race. So far in the Fall and Winter sports, they have placed high in both softball and volleyball.

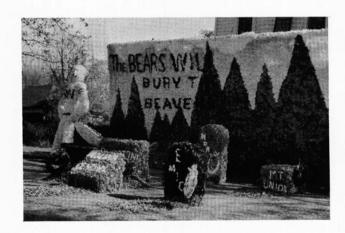

Alpha Sigma Phi is also active in Student Council, Choir, UBOG, and has several Lima Hall Counselors. It also sponsors the Sig-Olympics, an afternoon of field events for sorority women during May Day.

The chapter enjoys social activities, such as hayrides, house dances, Campus Chest, and the "Spring Talisman Rose Formal." The dances, parties, athletics, and other social functions have served to make this past year fun, helpful, and fulfilling.

Seated: P. Scanlon; R. Harris, Secretary; H. Ortwein, V. President; R. Durbin, President; T. Hagan, Treasurer; S. Schutze. Row 2: G. Ellis, J. Robinson, C. Wright, R. Berry, D. Geyer, T. Headington, J. Dugan, R. Spinning, G. Richter, J. Finch, K. Jefeiber M. Silvers, W. Lawson.

Delta Sigma Phi Fraternity was founded at the City College of New York in 1899. In 1920 members of the Engineers' Triangle Club at Ohio Northern were initiated into Alpha Eta Chapter. The faculty members who are brothers in their bond are Chapter Supervisor, Dr. Robert Hilliard, Chairman of the Department of History and Political Science; Dean Lawrence Archer, and Instructor Frank Farrington of the College of Engineering; Dr. Karl Roider, Chairman of the Department of Music; and Instructor Gerald Messick of the Department of Physics.

As a social fraternity, it has regular house dances as well as the annual Spring and Winter Formals, pledge dance, Bowery Brawl, sweater dances, and Alumni banquets at Homecoming and Parents' Day.

The Delta Sigs are also strong competitors in all campus sports and activities. They take an active part in campus events; in addition, the brothers strive to maintain a good scholastic average.

While participating in social events, scholastic achievements, sports and other organizations on campus, the Delta Sigma Phi Fraternity proposes to give its members an intimate, beneficial fellowship with good men, which is necessary for their full development and a supplement to their cultural and professional education.

Kappa Psi was founded May 30, 1879, at the Russell Military Academy in New Haven, Connecticut, and is the oldest pharmaceutical fraternity in existence. Its chapter, Gamma Delta, at Ohio Northern was founded in 1920. It is unique on this campus in that it is both a professional and a social fraternity, and only men entering the College of Pharmacy can become brothers.

Throughout the year, the Kappa Psi's participate in sports, religious organizations, Campus Chest, Greek Sing, and other activities. As far as the social events are concerned, the fraternity sponsors many, beginning with the Harvest Dance, followed by various house dances, and ending with the Spring Formal held at the scenic Beatley's-on-the-Lake at Russels' Point.

To add to their already great distinction on campus as combining professionalism with social events, Kappa Psi took top prize, a beautiful gold trophy, for the best float for May Day 1963. Their entry of "Colgate's Tooth Paste" followed the theme of Advertisements. It can be said that the group together strive for one main goal—that of success.

The Catholic Fraternity, Phi Kappa Theta, was formed September 8, 1958, by the merging of Phi Kappa and Theta Kappa Phi. Ohio Zeta Chapter was established at Ohio Northern University April 29, 1959. The purpose of this fraternity is to provide an atmosphere of Catholic unity, to develop educational, social, and athletic standards, and to encourage an active participation of all the brothers. Phi Kappa Theta works hand in hand with the Newman Club striving to maintain the Catholic standard of morality for all its men.

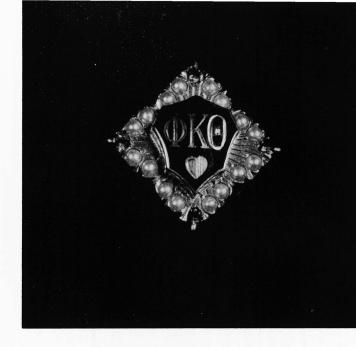

In athletics, the Phi Kaps had a league in all sports. They participate in softball, basketball, volleyball, and other sports while managing to place first in horseshoes and high in most other sports. Of course they take part in decorations for Homecoming and won the first place trophy with a "Bears Sink Beavers" theme.

The biggest special event of the year is the Provincial Ball which is held this year at Case Tech in Cleveland. All eight Phi Kap Chapters in Ohio participate in the square dance, athletic events, and formal dance that highlights the three-day weekend.

As for social events, the Phi Kappa Theta Fraternity held an alumni banquet at Homecoming; the Turtle Dance, skating party, pledge dance, Christmas party, and Spring Formal round out their year's activities.

Ground-breaking ceremonies, Fall 1963

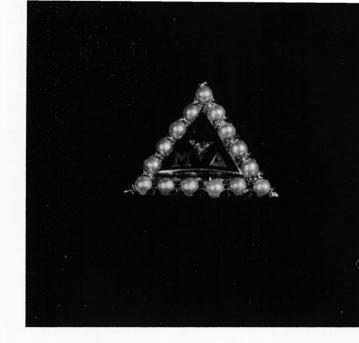

The Mu Beta Chapter of Phi Mu Delta was founded on the campus of Ohio Northern University on March 15, 1926. The national fraternity was founded at the University of New Hampshire on March 1, 1918. The goals of the fraternity are to bring men into close bonds of brotherhood and to improve themselves morally, mentally, and spiritually.

The members are very active in Student Council, Board of Governors, Homecoming events, and sports. In the intramural and interfraternity sports Phi Mu Delta manages to come out high both in baseball and bowling but is also very stiff competition in most of the other sports.

Phi Mu Delta's large membership accounts for its participation in most of the campus activities and for the numerous parties held. House dances, pledge dances, the annual "All Campus Rock," a children's Christmas party, and the Monte Carlo Winter Formal are just a few of the many social events sponsored by the chapter.

PHI MU DELTA

Row 1: P. White, Pledge Master; B. Hess, B. Komarek, B. White, M. Miller, J. Taylor. Row 2: K. Bubna, L. Mack, H. Hofelt, G. Gehm, D. Blank, D. Ake, A. Wagner, D. Reitz. Row 3: G. Stout, D. Dunham, J. Alexander, L. Snyder, S. Baldwin, R. Powell, W. Hudson, T. Norris.

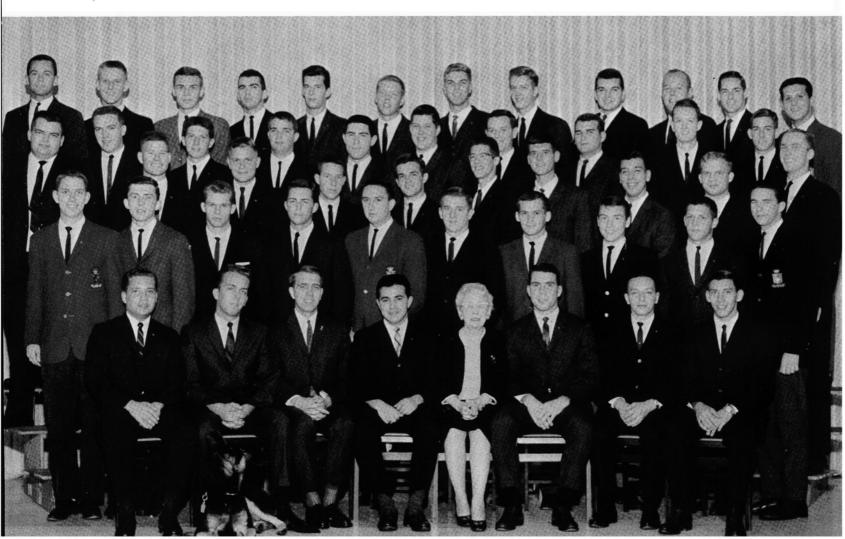

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. Nationally it is the third largest social fraternity chapterwise with 147 active chapters. Ohio Alpha has initiated over 870 members since its founding on this campus on February 18, 1905.

The Sig Eps occupied what is now the Terrace Building before the present house at 821 South Gilbert was constructed in 1915-1917. It was the first house built as a fraternity house in the state of Ohio. The Sig Ep Chapter is the oldest continually active fraternity on this campus.

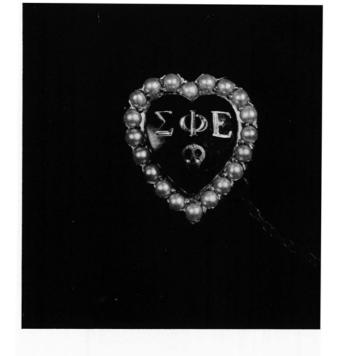

The Sig Eps are active in all intramural sports, gaining a share of trophies. Also they participate in many of the campus organizations, especially Homecoming, UBOG, May Day, IFC, and Campus Chest. Each year the members compete with the other fraternities for the Blood Mobile Trophy and Scholarship Award and manage to come out on top.

Socially speaking, the Sig Eps hold banquets for alumni at Homecoming, seniors at graduation, and buffet dinners for freshmen women and the three sororities each year at the Chapter house. Some of the traditional dances are the Winter and Spring formals, the Hawaiian Party, Roman Toga Dance (held by the pledges), as well as numerous other dances and social events such as the Halloween Party, High School Harry Dance, Pirate Dance, and others. All in all, the Sigma Phi Epsilon Fraternity maintains a busy schedule.

Seated: S. Hart, Secretary; T. Keiser; Pegis; E. Richards; J. Ciminillo, President; "Mom" Bently, Housemother; M. Paul, V. President; D. Bichsel, Recorder; S. Carin, Comptroller. Row 2: P. Freas, R. The beginning of Sigma Pi was on the campus of Vincennes University in Vincennes, Indiana, on February 26, 1897. It was founded on this campus in 1909 as Phi Chi Psi. On June 1, 1912, Phi Chi Psi was installed as Zeta Chapter of Sigma Pi Fraternity. Sigma Pi strives to make its goals an integral part of every member's daily life with a special emphasis on scholarship and college participation. Many of the members of Zeta are found participating in almost any extracurricular function on campus.

In sports the members rank high in the free throw or foul shooting, horseshoes, and other events. They annually sponsor the Male and Female All-Greek Awards and the May Day Bike Race. They are frequently seen at the intercollegiate games helping the cheerleaders yell the Bears on to victory. Also, this last year the Sig Pi's sponsored the Football Banquet and compiled the Student and Faculty Directory for the 1963-64 school year. Names were placed alphabetically in the booklet and then addresses, residence in Ada, year of graduation, birth date, and choice of major were all printed and sold by the members of the fraternity.

Many parties are sponsored and planned by Sigma Pi. Teas for the 'freshmen women and sororities are held at the chapter house. Hay rides, Harold's Club Party, Playboy Club Party, Winter Formal and the Spring Formal represent the main social activities of the Sigma Pi Fraternity.

S. E. A. is the student counterpart to the National Education Association. Any student in the Department of Education and students working for certification to teach are urged to join this professional organization in order to increase their knowledge of their chosen field.

Kappa Delta Pi is the honorary educational fraternity which students in the Department of Education carrying a 3.2 accume are eligible for.

Both education organizations sponsor panel discussions, speakers, and various other means to offer to their members a wide scope of the profession of education.

The International Club consists of a group of both foreign and American students who meet periodically with the objective of increasing and promoting understanding in the field of foreign affairs, especially among students on campus.

This organization is open to anyone, faculty or student. It provides an opportunity for its members to learn about other countries, ideals, concepts, and opinions by serving as a channel for the varying opinions of its members.

Members of the International Club are invited to speak about their native countries at church and civic groups and often take part in the bi-weekly chapel programs.

Ohio Northern's student body is largely made up of students who are studying to become pharmacists. The College of Pharmacy here is well known to all figures of the pharmacy world.

Among organizations for pharmacy students are the American Pharmaceutical Association, which is open to all pharmics and prepharmics; Alpha Zeta Omega, an honorary professional fraternity for Jewish pharmacy students; Kappa Epsilon, an honorary women's pharmaceutical fraternity; Phi Delta Chi, an honorary men's organization; and the *Ampul*, sponsored by A. Ph. A., the pharmaceutical publication on campus.

These pharmaceutical organizations, for the most part, work for the furthering of the professional status of pharmacists and prospective pharmacists within the university.

POLARIS

Alpha Phi Gamma is the honorary coeducational journalism fraternity which is open to all those who have held a major publication position for one year or a minor position for two years.

The publications for the university include the *Northern*, the *Northern Review*, which became a weekly paper this year, and the *Polaris*, a magazine written and published by students. The *Ampul* and the *Writ* are publications sponsored by the individual colleges of the university, Pharmacy and Law, respectively.

Mr. Belch is the advisor to Alpha Phi Gamma, the newspaper, and the annual; and Miss Bennett is advisor to the magazine.

Seated: I. Stauch. Row I: J. Ruef, Advisor; D. Baur, B. Dungan, V. Maxwell, K. Casto, B. Mutschelknaus, M. Woodward, C. Young, R. Myers. Row 2 J. Moyer, €. Freas, D. Hartong, J. Putnam, C. Wright, J. Northern Players is the organization on campus which sponsors the student theatre presentations. Closely aligned with Northern Players is Theta Alpha Phi, the honorary theatre fraternity. Working in correlation with the Theatre Department, these two groups do the majority of the work entailed in a theatrical presentation. Northern Players is open to anyone who cares to join; Theta Alpha Phi requires a stipulated number of points which are earned by working crews or acting in the plays.

The ONU Debate Team is interested primarily in traveling extensively throughout the State to attend matches. This group is open to anyone who wishes to join and who has an interest in public speaking.

Oleson, G. Lovett, D. Resor, K. Huston, J. Patterson, J. Shepherd, A. Niehausmyer, A. Vernon.

The music department on campus contributes to every student on campus in one way or another. The choir supplies the choral offering for chapel services and sponsors the annual Choral Cabaret. By traveling extensively, this group is one of the most active supplier of worthwhile publicity for the university.

The band provides entertainment at half-time of the football games with various shows. Modernette, the dance band, provides dance music for many campus dances, and travels to nearby schools for demonstrations. Participation in the annual Tri-College Concert with Bluffton and Findlay Colleges provides an interesting outlet for members of instrumental organizations.

Kappa Kappa Psi and Tau Beta Sigma compose the honorary fraternities for band members. M. E. N. C., Music Educators National Conference, is an organization for music majors. The Brass Choir, a newly-organized group, is another outlet for instrumental students.

225

The religious organizations on campus provide a furthering of the university's goal of developing genuine Christian manhood and womanhood in both the students and faculty. Several organizations represent a variety of denominations wherever the need is evident.

The program of the university does not compete in any way with the local churches, and encouragement is given to members of the various organizations to participate and to identify themselves with the local churches.

The Chaplain of the university is the administrative director of campus religious activities, being assisted by the Religious Council.

Participation in chapel services, providing support for orphans overseas, sponsoring programs with speakers, films, and panel discussions, in general, adding one small sector which will help to fill out the student's well-rounded, liberal education are definite attributes of the religious program on campus.

Seated: K. Evans, V. President; W. Tryon, President; P. Hunter, Secretary; E. Fischbach, Publicity. Row 2: T. Kissell, M. McGinnis, S. Snyder, L. Terrill.

PHI KAPPA THETA: BASKETBALL

The intramural program, set up by the physical education department under the direction of Jimmie Stahl provides a needed outlet for those fraternity men and independents who are interested in sports but do not have the time or the ability to participate in the varsity teams

A variety of sports, including wrestling, basketball, softball, tennis, bowling, volleyball, foul shooting, and any others for which there is a demand, is offered each year with intra-fraternity-independent competition.

This year Sigma Pi won the foul shooting, and at press time, Alpha Sigma Phi had won softball and volleyball, the Law Independents had won softball, volleyball, and basketball, and Phi Kappa Theta had won basketball.

By providing facilities, referees, and league set-up, the physical education department deserves a great deal of credit for its efforts in this particular area.

WORLD'S DONKEY WILDER WILDER RODEO

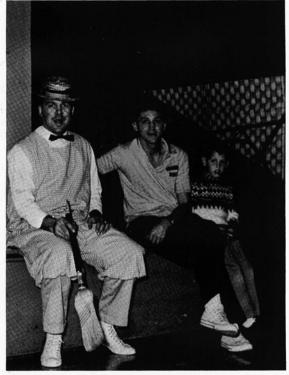

"As soon as they hit the pass . . ."

Are you kiddin' me??

Is that Hewitt, or Crockett?

Alas, someone has to clean up the mess!

A donkey basketball game between the Faculty All-Stars and the Fraternity All-Stars was presented February 21 in Taft Gym, sponsored by the freshman class.

Members of the faculty team included Stretch Roberson, Willie Longshore, Jim Stahl, Bill Robinson, George Miller, Bill Haggstrom, Ray Laakaniemi, and William Hewitt. The fraternity team included members of each of the eight social fraternities on campus.

The Faculty All-Stars defeated the fraternity men by a score of 12 to 8. All that appeared to be injured were a number of individual prides.

DONKEY BASKETBALL

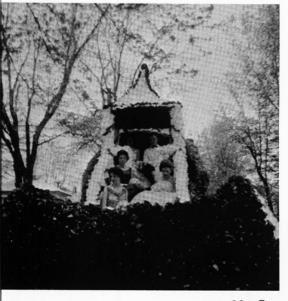

Lesson #1: Become acquainted with your mount.
